"Outstanding food, friendly and attentive staff and just a great experience. Ask about the sit down fixed menu dinner if it's not being promoted. Fantastic." - Phil

And this year we used their Canape Room space which was amazing! Provided my guests with a really unique experience, which they all RAVED about. This space would be ideal for a small, intimate event. Ideal for people wanting to host a Christmas party or even a wedding with a bit of a different theme/vibe/atmosphere. I highly recommend Canape Company for any catering, and their amazing event space. - Holly
