# WHY CHOOSE GENERATOR

## DEDICATED EVENT MANAGER

Our event team can take care of every aspect of your event, or manage as little as you like. With years of experience and knowing the best way to make use of our Generator spaces, they are your guiding light.

## UNIQUE EVENT SPACES

Whether you're in need of something slick and modern, or somewhere with a bit more personality, we've got a space for every occasion.

## CUTTING EDGE TECH

Cutting edge technology is available in all our spaces – along with our IT team to assist with any issues.

Many of our spaces feature technology designed to support hybrid conferencing.

Features include -

- Crestron Mercury for BYOD VC
- HDMI & USB-C Input for Presenting
- USB Connection for Video Conferencing
- AirMedia for Wireless Presenting
- Bluetooth for Audio Only Conferencing and 1080P HuddlyIQ VC Camera for quality VC in some spaces (tech varies between each room)

If you need something a bit special, we have AV partners who can help you out (at an additional cost).

## TOP NOTCH CATERING

We've been told our catering is a cut-above, and we're inclined to agree! Our standard menu is full of interesting dishes and seasonal flavours, but if you need something a bit special, just let us know and we'll work with your requirements - it's our job, after all.
