Rydges Rotorua

Right on the edge of the Redwood forest, overlooking the glistening waters of Whakarewarewa and surrounded by nature's best work, people come to Rydges Rotorua from all over. Whether it's our first introduction or a welcome back, our doors are always open. We're here for the pleasure seekers, business travellers and family road trippers. For those dropping by and those making themselves at home. For anyone looking to rediscover buried gems or explore new possibilities.

All of our 203 rooms offer the promise of a good night's sleep and a flexible base for whatever the day holds. Check into your choice of a standard or premium room, with comfy beds, unlimited Wi-Fi and access to the geothermally-heated swimming pool. If you're craving something a little extra, a private suite may be calling your name.

Hotel Amenities

Heated outdoor swimming pool and hot pools

Dive into the morning or unwind after a day of adventuring at our heated outdoor swimming pool and hot pools. The year-round natural heating means the water is always the perfect temperature.

Fitness Centre

The fitness centre means you can build up a sweat, get your body moving and keep up your at-home routine while you're on the road.

Mountain biking facilities

With a dedicated bike washing station that features a hosing area and bike racks for drying, we're here to make your favourite pastime as easy as can be. There's also a secure storage area inside the hotel so that you can sleep easily at night.

Eating & Drinking

Since 1968, Chapman's Restaurant has served hearty dishes and seasonally-inspired meals to locals and travellers alike. Today, the popular restaurant at Rydges Rotorua is famed for its daily buffet. From fresh oysters and seafood to succulent roasts and mouth-watering desserts, there's always room for more when you're dining with us.

Venues & Events

From intimate to elaborate, work to play, and day to night, we have a selection of flexible spaces that will put the ease back into planning an event to remember. Our large conference venue can comfortably host up to 600 people, while our small meeting room is the perfect place to crunch the numbers and get down to business with your colleagues.
