VENUES

LARCOMB VINEYARD HAS THREE VENUE SPACES AVAILABLE FOR EXCLUSIVE USE. EACH SPACE HAS ITS OWN UNIQUE FEATURES, BUT ALL COMES WITH THE SAME SPECIAL SERVICE.

SMALL BARN

This building is the original winery and restaurant of the premises. Boasting fantastic natural light and a brick open fire place, this space is perfect for an intimate reception for up to 60 guests.

The exposed timber ceiling, and crisp white walls, give a sense of elegance, while the french doors open onto a beautiful sunny grassed area and lavender hedge through the summer months. This space can also be used as a back-up ceremony space for inclement weather.

THE STABLES

A delightful historic building at Larcomb, the stables are a proud part of the history of the Canterbury region. Only able to accommodate up to 20 seated, or 60 standing, this space is widely utilised as an outdoor bar for post ceremony drinks, or an intimate space for small group photos.

THE BIG BARN

A fantastic addition to the Larcomb site in 2011, the Big Barn features a high wooden ceiling with exposed beams.

A stunning space with seating for 60-250 guests, there is ample room to include our dancefloor alongside your guests, to ensure everyone can kick their heels off and dance the night away.

Large doors at the rear of the building allow for seamless set ups and the ability for large theming pieces or vehicles.

WEDDING CO-ORDINATION

We are more than happy to guide and assist you with your wedding plans, including co-ordinating aspects in advance of your wedding, and ensuring everything runs smoothly on the day. From the moment you confirm your booking, we will happily assist you with planning all aspects of your wedding from giving advice and direction on some of the best vendors Canterbury has to offer in the wedding industry, to planning your special day with us from your guest arrival, to dancing on into the night.

CEREMONY

The lush lawns, with rustic country garden backdrop are an ideal setting to express your commitment to one another. The umbrella trained roses add a special touch to the space, and the small barn provides a fantastic alternative in the event of rain. Ceremonies are available to be held from 2pm, or earlier by arrangement.

LARCOMB GROUNDS

Larcomb Vineyard provides three acres of endless photo opportunities which enables you to not leave your guests for too long.

The vines, the surrounding paddocks, and rustic barns create perfect options to capture the special moments of bridal portraits and group shots.

It makes all the difference being able to have your entire wedding based in one location, meaning you and your guests can relax and enjoy the special day without having to worry about travel logistics.

RECEPTION

The reception is a very important part of your special day. Right from the start of the day, our professional and attentive team will take care of all the details, from assisting with set up, to ensuring all your guests receive a delicious meal with attentive service.

Our chef's love to create dishes specific to your day, using local and seasonal produce and home grown herbs, our food is bound to wow your guests.

We include a full suite of tables, chairs, linen napkins, cutlery, crockery and glassware within our pricing.
