

NAUMI STUDIO WELLINGTON

WELCOME TO WHIMSY

A love story – reimagined. Naumi Studio Hotel Wellington, an iconic heritage landmark in the heart of the Cuba Street precinct. Following an extensive renovation, this 116-room property has transformed into a visual feast for the senses, captivating guests with eclectic spaces inspired by seafaring, the literary world, and enduring love. The hotel dazzles with the work of New Zealand artists and designers. A striking large-scale floral backdrop, created by Art Dep't NZ and entirely covered in gold leaf, sits majestically behind reception. Below, bespoke rugs by artist Karl Maughan lead into the lobby, where a majestic, illuminated floral sculpture by Angus Muir Designs flows seamlessly. Welcome to Wonderland.
