- SEATED DINING: 120
- THEATRE: 120
- CLASSROOM: 120

Our purpose-built events pavilion has a multitude of options for hosting events and functions. It was designed to complement our classic style and enables you to create an effortless event experience from start to finish, with professional catering and spacious break-out areas overlooking Man O' War Bay.

The site is suited best for groups of 40-200. We can cater for working lunches, formal seated dining or cocktail-style functions with roving canapes and exquisite grazing platters. The space allows you to have any layout you choose with enough room to stage presentations or a DJ to dance the night away.

The events pavilion has its own bar with the option of an additional outdoor bar, a fully equipped chef's kitchen, restrooms, and heating in the main areas for year-round comfort. Our outdoor fireplace makes for a perfect mid-winter event or for those crisp summer evenings.

The floor to ceiling bi-folding doors open onto a partially covered, paved exterior, allowing your guests to flow in and out freely throughout the day.

## THE MENU

Our culinary team have carefully crafted our event menus to reflect our stunning coastal location and farm to table ethos.

From morning tea & coffee, a prelude of roving canapes, grazing table or oyster bar to a full three-course lunch or dinner, our Event planners can help you curate a menu that best suits your budget and style of gathering.

Our team will also assist with taking care of the catering requirements and any special needs of your guests.

## THE BAR

To define the tone of your event and reflect your brand personality, we can fully curate your drink offering with our Flagship and Kulta range of wine, selected spirits, signature cocktails and a quality beer offering.

## TASTING ROOM & RESTAURANT

Just a short walk from our events space, you'll find our Restaurant and Cellar Door. If you wish to use our events site as a 'business hub' for your conference or seminars, our seaside restaurant offers a great break-away area. It is an option to book our restaurant exclusively for your lunch or dinner service and to give your guests the chance to mingle and network during or after the event.

We also offer team building days which include activities in and around the bay. Our event managers are in the know of the best things to do at the eastern end of the island.

From projectors, TV screens, microphones, or DJ equipment, we can facilitate any AV requirements that you'll need for a successful event at Man O' War.
