

MICHAEL FOWLER CENTRE

Home of the New Zealand Symphony Orchestra, this much-loved venue is part of the Wellington skyline and sits right at the heart of the capital city's civic and cultural precinct.

Boasting a three-level glass facade and finished throughout with native timbers and Italian marble, the sheer magnificence of the internal space has seen the Michael Fowler Centre (MFC) win numerous architecture awards.

AUDITORIUM

STAGE 230m² | 2209 DELEGATES

As one of New Zealand's premier concert halls, the MFC Auditorium reflects sound evenly throughout the room and offers unimpeded sightlines making it an ideal venue for speaker presentations.

The adjustable stage size (230m²) makes this a flexible venue suitable for a range of events including conferences, graduations, seminars, and performing arts.

With the ability to seat approximately 2,000 people over two levels and attach tablets to the backs of the seats, this venue offers one of the largest classroom style set ups in the city.

A green room behind the stage, the Frank Taplin Room, is ideal as a speaker preparation space offering seven fully equipped dressing rooms and ample space for organisers.

RENOUF FOYER AND PROMENADES

518m² | 400 DELEGATES

Situated on the first floor of the MFC is the Renouf Foyer, including or excluding the promenades.

This 518m² open, flat floor space has high ceilings and an abundance of natural light from the floor to ceiling windows, making it an ideal venue for trade and exhibition.

With the sound-resistant retractable walls, the Renouf Foyer can easily be partitioned from the promenades; creating a private, pillar-free 450m² venue, suitable for up to 400 delegates. It can then be further partitioned into two separate rooms for multiple breakout spaces during a conference.

This venue is truly versatile and with its hardwood parquet flooring - a stunning feature, it makes it a popular choice for breakout spaces, presentations, social functions, and exhibitions.

LION HARBOURVIEW LOUNGE

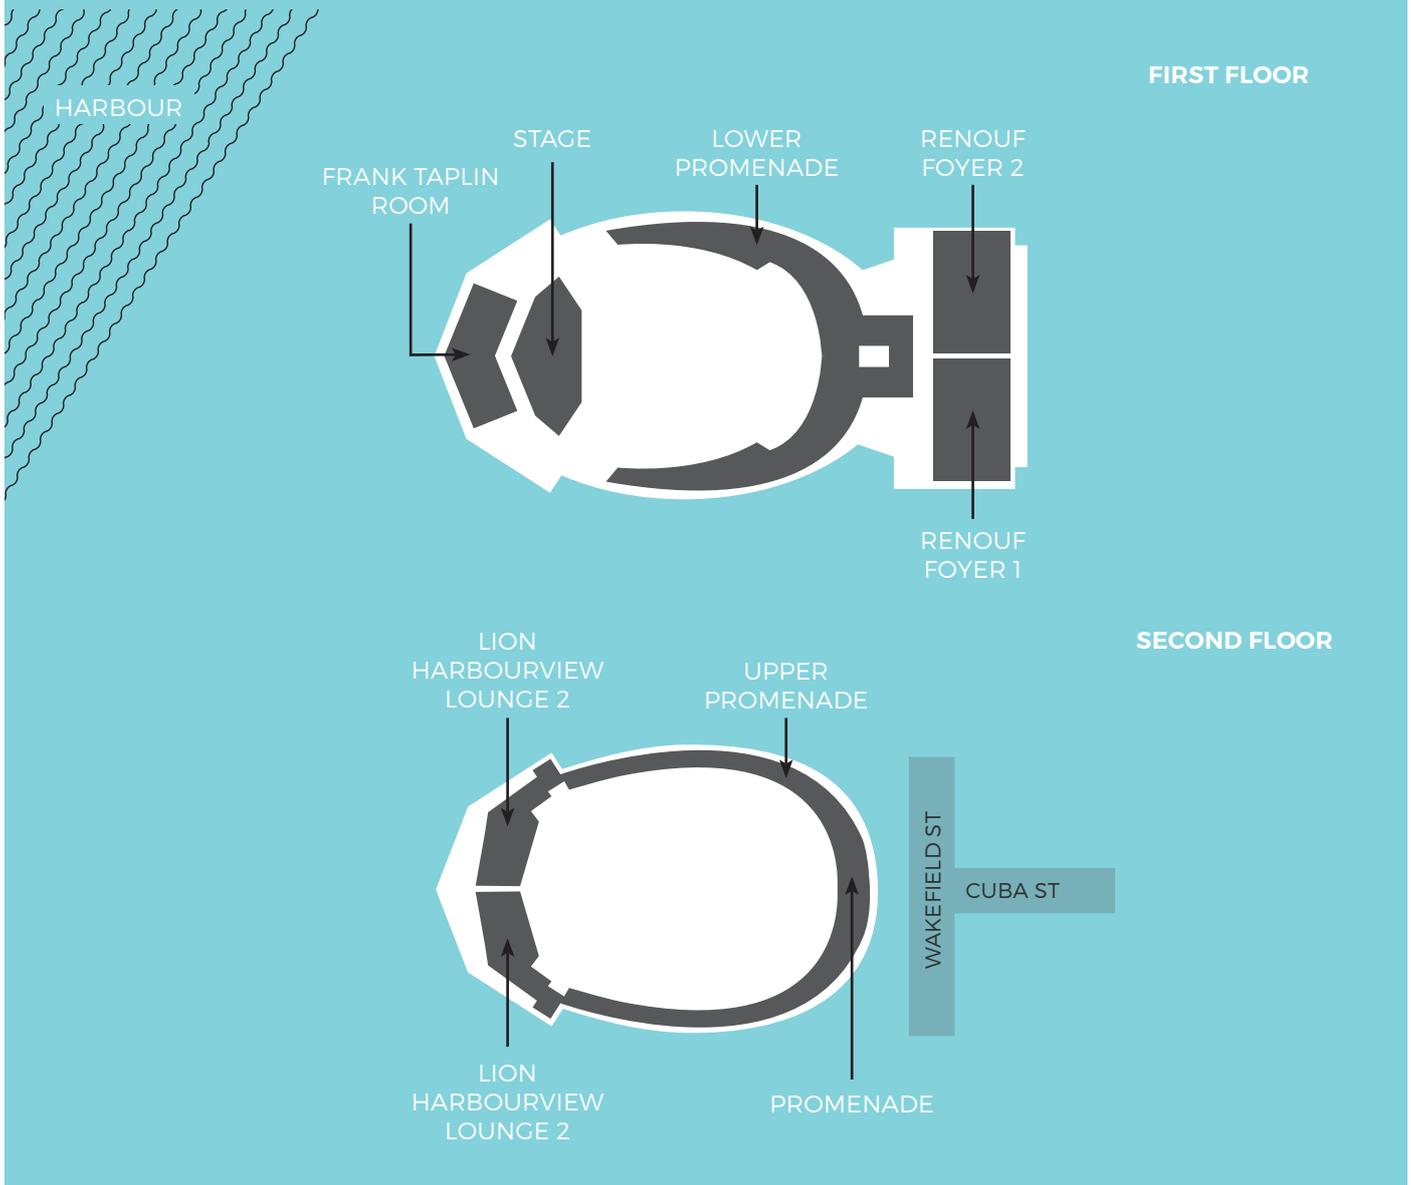

140m² | 180 DELEGATES

The Lion Harbourview Lounge offers plenty of natural daylight and breathtaking views of the Wellington Harbour. A fantastic, slightly curved space, it is suitable for small to medium-sized meetings and dinners, a breakout space or a 180 pax cocktail reception.
