AT TRINITY WHARF TAURANGA.

your urban waterfront escape awaits...

Trinity Wharf is a premium hotel, conference venue and restaurant, conveniently situated on the cusp of the Tauranga CBD.

The hotel is built on three piers that stretch out over the water's edge, with panoramic water views framed by floor to ceiling glass that bring the tranquil elements of the outside world in. Marine life can often be seen cruising in the shallows surrounding the hotel, and you might even spot a seal or two sunning themselves on our private pontoon.

Coastal decor elements such as white walls, flowing curtains and interiors layered with neutrals, blues and sandy tones impart the type of tranquil ambience needed for a relaxing weekend escape, business meeting or work trip away.

Whether for work or for play, our guests come to relax from the hustle and bustle of city life, and to soak up the relaxed, laid back atmosphere.

Our team are ready to welcome you...
