OUR SPACES

BREWERS CORNER

Seated maximum 40 people
Cocktail maximum 50 people
Minimum 20 people

This is the best of the best when it comes to private water front seating on the Viaduct harbour. With large tables, there's plenty of space for a sit down meal or a cocktail and canapes style event. Semi-covered by the retractable roof and there are heaters available. Furthest from the venue entrance and close to the bar, this is the ideal location for your next event.

UPPER DECK

Seated maximum 30 people
Cocktail maximum 50 people
Minimum 20 people

This semi-private section of waterfront seating is perfect for all types of functions. With smaller tables, a mixture of low and tall seating, this is the ideal spot for you. The retractable roof provides security from the elements, as do the heaters, while the view over the viaduct is unrivaled.

STEEL CITY

Seated maximum 32 people
Cocktail maximum 40 people
Minimum 20 people

This section of waterfront seating is great for those that want some of the best seats in the house. You'll be undercover so you're not reliant on the weather and there are heaters available if need be. Seated right next to the bar, the area will be exclusively reserved for you although not closed off from the rest of the venue.

BAR AREA

Seated maximum 150 people
Cocktail maximum 200 people
Minimum 20 people

This indoor area has a number of interchangeable leaners that your group can sit or stand around. This area is close to the kitchen and near the bar for great service right in the heart of the venue.
